

WHAT HAS BEEN HAPPENING IN TY?

Beep Beep!

We visited 1st Drive to get behind the wheel. The students spent the day learning how to drive and all about road safety. They even got to play the Break Game where they tested how fast they could press the breaks. There was a prize for the one with the fastest feet. Well done Demi.

Achill Island

We headed West to Achill Island to learn how to surf, kayak and cycle the Green Way. What a fantastic few days we had on the Island. Definitely one of the highlights of the year.

TY Graduation

We celebrated the end of an amazing year with a wonderful graduation ceremony. What a lovely evening remembering all the fabulous memories we have made. The students gave such lovely speeches and treated us to some songs they learned in music class. We are so proud of the group. Congratulations to our graduates!
