## **SYNOPSIS/INFORMATION FOR ENQUIRERS**

This course is for learners of English who wish to do the Cambridge First Certificate Exam. Students should have a good intermediate level of English i.e. they can carry on a basic conversation, but their sentences will be short or broken and they will make some mistakes, but not so many as will make understanding too difficult.

The exam takes place in UCD Belfield (Southside). Marino College does not organise the exam. Students must enrol and pay for the exam themselves. The teacher can get the application forms and can help with filling them in, but the students must send the application and fee themselves.
