

Finding Your Own Voice and Sing

Through gentle support, encouragement and simple techniques, find your individual voice and sing! Each week we will work on a variety of different material from simple African, Maori or Irish folk songs to songs chosen by you. If you feel ready I will work with you individually. There is no pressure, just fun!

Each week we will sing together but we will also cover the following subject:

Week 1

Warm-ups for the voice, breathing exercises.

Week 2

The importance of natural pronunciation

Week 3

Learning a song, tricks for remembering lyrics

Week 4

Posture, how it impacts on the voice

Week 5

Phrasing

Week 6

Dynamics

Week 7

Ear training, improve pitching

Week 8

Sing with the support of keyboard accompaniment

Week 9

Rhythm studies

Week 10

Practice technique and exercises to improve confidence.
