

Guitar

10 Weeks of Guitar Tuition for Beginners.

“Unlock the sounds of your Guitar!”

- “Have you ever wanted to play an instrument?”
- “Tired of watching in awe as others play?”
- “Wishing it could be you...?”

Well it can be you! Now is your chance to become a musician! Read on!

Marino College are running a ten week course in guitar for complete beginners. Knowledge of music or theory is not required. All you need is a guitar, a desire to learn and our experienced teacher Jay Malone will give step by step hands on approach to art of playing guitar.

This course will cover:

- Introduction to guitar
- Guitar tuning
- Chords
- Strumming patterns
- Finger styles
- Performing and confidence building
- Introduction to the blues – scales
- Introduction to melodies

“And remember, it’s never too late to learn”
