

## **Interior Design with Ashley**

The aim of the course is to increase:

- Observation of interior design principles for the home.
- Develop an understanding and appreciation for sustainable design principles.
- Knowledge of colour, pattern, lighting, and space layout.

**Course content includes:**

- Colour
- Lighting
- Fabrics and fittings
- Furniture layout and flow
- Style and atmosphere
- Mood / Sample Boards

This course will help you design your home by providing tools to create a coherent style appropriate to your taste and design budget.
