

Jewellery Making Made Simple

(beading, braiding & upcycling)

Course Overview

Learn how to use a few simple materials (beads, leather cord, metal clips) to create personalised jewellery. Participants in this course will be shown the techniques used to create a few items of jewellery in a relaxed environment. The course will cater for people with all levels of abilities from the complete novice to the keen enthusiast.

- Bracelets: braided, leather & beaded
- Necklets: leather & beaded
- Earrings: beaded
- Up cycling of existing pieces of jewellery to give a fresh look
- Techniques for some easy repair work

The first few weeks will be of a structured nature with students learning the techniques required. We will move on to more creative projects for the remainder of the time. By the end of this course, the only limitations should be your imagination.

Tutor: John Hannigan

Please Note: Materials will be provided for the first 3-4 classes while techniques are being taught. Students will then be responsible for supplying materials for their own chosen project.
