

YOU ME WE

MASTERING MONEY - GET MONEY FIT

Easy simple steps to have more and get more from it

On this 8-week course, you'll get your money fit and in great shape, giving you:

- More **MONEY** by spending smarter and saving better.
- More **CONTROL** by understanding better and making good choices.
- More **HAPPINESS** by knowing what's important to you and using your money to get it.

We know money is personal and that privacy matters. So, we'll keep it general and won't be getting into anyone's personal circumstances or actual amounts openly in class.

As part of a friendly group, you'll follow these easy, simple exercises towards financial fitness:

1. **Find** out about the **eight key pillars** to being money smart and fit.
2. **Learn** the "must know" stuff about saving, borrowing, pensions, mortgages and more.
3. **See** your money clearly and write out the details on just one page.
4. **Plan** improvements to do better with your money, again on just one page.
5. **Make it happen!** With great motivation tools, tips and support.

You'll get real, valuable results – in money and more – giving you a great return on your investment in this course.

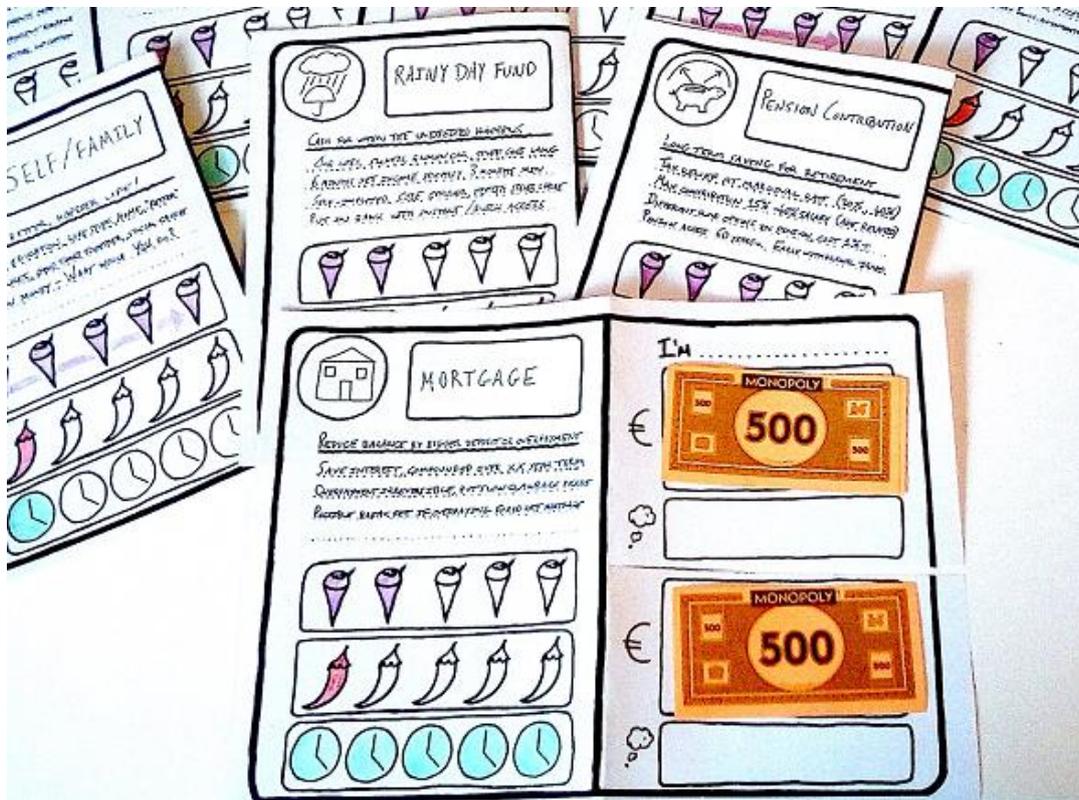

So, get your "trainers" on and take the first easy step to getting money fit by signing up!

About the course facilitator

I'm Mark Herman.

Personally, I have commitments – job, family, mortgage, pension. I need to do well with my money and get the most from it.

A bit like yourself, maybe?

I'm also a qualified trainer and life coach.

One of my special interests is money and how it influences us.

I passionately believe that making it real and taking small steps are the magic stuff which gets results.
