

Mosaic Class

This is a hobby Mosaic class for beginners and improvers. In this class you will learn a step by step approach to making your own Mosaic art piece in a relaxed and friendly atmosphere. Students are encouraged to design their own Mosaic and develop them with the tutor using the wide selection of coloured ceramic and glass tiles provided or by purchasing more elaborate tiles and other fun items that can be used for mosaics.

Week	Lesson Plan
One	Demonstrating how to use Mosaic tools
	Demonstrating how to cut ceramics and glass
	Select tile / glass colours and start making first mosaic sample. Apply ceramics / glass on plywood base.
Two	Grout Mosaic sample from previous week and clean. Design your own Mosaic or use a pattern and select colours. Draw or transfer your selected Mosaic design onto plywood and begin tiling.
Three	Notes on indoor and outdoor Mosaics
Four	Continue Mosaic
Five	Continue Mosaic
Six	Continue Mosaic
Seven	Continue Mosaic
Eight	Continue Mosaic
