# WHAT HAS BEEN HAPPENING IN TY?

*Monthly Newsletter*

# BIKING IN THE PHOENIX PARK

The TY class took part in a treasure hunt challenge around the Phoenix Park recently. They had an opportunity to stop at many of the famous attractions such as the Wellington Monument, Dublin Zoo and the Papal Cross while searching for answers to the clues they were given. It was a tough competition but well done to the winning team!!!

# Epic time visiting the Irish Emigration Museum

The class took a trip to the EPIC Museum to learn about the many Irish people who left Ireland for a new life in the four corners of the world. The students selected three people who they found to have the most interesting story and wrote about each of them in their site visit worksheet. The museum is completely digital in design and the students enjoyed the interactive activities available throughout the venue.

## Flying times and frisbee fun

The class got a chance to perfect their frisbee technique during a recent workshop. It was a fun filled action packed morning and was truly enjoyed by all. Thank you Ms McGauran for organising the event.

# Team Hope Shoe Box Appeal

The students recently took part in wonderful initiative known as the Team Hope Shoe Box Appeal. Shoeboxes are filled with gifts to send to children experiencing poverty through the world. The group took a trip to the City Centre to shop for items to fill the boxes and later wrapped them up in beautiful wrapping paper. They added a class photo and a Christmas card to each box.
